CHRISTMAS MESSAGE

DEAR PARENTS/GUARDIANS & STUDENTS,

Greetings from Don Bosco School! As our academic year draws to a close, we thank God for this wonderful school year 2018. Further, I place on record the tireless commitment, hard work and sacrifice put in by our teaching staff. Moreover, I appreciate the cooperation and contribution given by the Bosconians throughout the school year. I exhort you to keep up the good spirit that you have shown in this year, but seek to do better in the coming New Year. Let the New Year be filled with lots of opportunities and challenges. It is in facing them that you will attain great heights in life. We the Staff and Management will be always by your side until you reach your goal. We owe a great respect to your parents for their constant support in this pursuit of excellence.

As Christmas is nearing let me share with you a short story. Once there was a rich man in a village and one day a poor man went to beg at the rich man's house, but the rich man said, 'I have no money'. The beggar again asked for old warm clothes, but the rich man said "I have no clothes. He further asked, for leftover food, but the Rich man said, "I have no food either." The beggar couldn't believe that the rich man had no money, no clothes and even food. The beggar further said "Since you have nothing to offer come let us beg together". The rich man on hearing this came to his senses and began to share with the beggar. This is story teaches us to share with others all that we have. The blessing of Christmas will be ours if we share our time, talents, and resources with those in need. I wish, that as we receive many gifts for **CHRISTMAS** and **NEW YEAR**, let us share it with others. There is more joy in giving than receiving.
